# REQUEST FOR PROPOSALS – GENERAL ENGINEERING SERVICES FOR THE VILLAGE OF HOBART

## **Section 1 – Statement of Purpose**

The Village of Hobart (“the Village”) is requesting proposals from qualified firms to provide municipal engineering services. The contract will be administered by Department of Public Works staff.

## **Section 2 – General Information**

The Village of Hobart is located in Brown County and has an estimated population in 2024 of 11,558. The Village is governed by a Village President and four Village Trustees. The Village employs a Village Administrator. The Village’s 87-mile network of roads (174 lane miles) are prioritized as Arterial, Collector and Local roads.

## **Section 3 – Timeline**

The Village anticipates that engineering services under a new contract will begin on or about September 1, 2026. Proposals due May 1, 2026.

- Firms notified of interview - May 15, 2026
- Interviews commence the week of June 1, 2026
- Village Board approval of contract – July 2026.

The above schedule for review by the Village is subject to change. The Village will not be legally obligated to adhere to the dates for interviews, recommendations and/or award. Interviews will be with staff and members and the Board chairperson of the recommending committee (Public Works and Utilities Advisory Committee). Interested firms are strongly encouraged to contact the Department of Public Works to schedule a pre-proposal systems review.

## **Section 4 – Project Scope**

### **A. General Municipal Engineering Services**

1. Provide a full range of municipal engineering services to support all municipal operations including but not limited to: traffic control, street lighting, pavement management and transportation facilities.

2. Provide supplemental municipal engineering services to support infrastructure maintenance including, but not limited to: surveying, grant writing or assistance with grant applications when applicable, development of maps utilizing GIS or computer-generated graphics, transportation analysis, and capital project cost estimate development.
3. Provide site plan review and assessment for commercial development/redevelopment projects, as necessary.
4. Performance of field inspections as necessary to support the above.

#### B. Engineering Project Review

1. Construction drawing review and quality control. Currently, design engineering services for capital improvement projects are competitively awarded on a project basis. The firm retained for general engineering services may be asked to provide a plan review prior to bidding.
2. Plan and study review. The firm retained for municipal engineering services will, as requested, provide additional reviews of any engineering-related plans or studies performed by others including, but not limited to:
  - A. Site plan review
  - B. Stormwater permitting
  - C. Utility infrastructure review

#### Section 5 – Proposal Content

The proposal should not exceed ten (20) single-sided pages and should address the following:

##### A. Transmittal Information.

1. Firm's name, address, telephone number and contact person.
2. Firm's confirmation of understanding of the project and commitment to provide the appropriate personnel, equipment and facilities to perform the scope of services as defined in this document.

##### B. Qualifications.

1. Provide a description of the firm's background and history with emphasis on municipal engineering services.
2. Identify municipal engineering services which firm members are qualified to perform.

C. Project Team. Identify the individual who will serve as "Village Engineer" and other key personnel. For each project team member please submit a BRIEF description of the following:

1. Name
2. Proposed responsibilities
3. Professional registrations
4. Description of related past municipal experience

##### D. Rates.

1. Provide a fee schedule for general municipal engineering services identifying hourly rates for staff assigned to the project team. Rates shall be established for each contract period. Fees submitted as part of your proposal may be subject to negotiation.
2. Specific projects may be identified in addition to the general services outlined above. A separate task order will be negotiated for such work.

3. Please note there will be no reimbursement for travel time, meals, or mileage; these incidental costs should be included in the hourly rates. Only document reproduction costs will be reimbursable.

E. Contract

1. Please attach a copy of your standard contract for these types of services in the email submitting the proposal.

F. Insurance

1. The proposal must include either a description of the firm's insurance or a certificate of insurance outlining the firm's insurance policies in which evidence compliance with the requirements noted in the *Terms and Conditions* section of this RFP.

**Section 6 – Evaluation Criteria**

A selection and interview committee will be comprised of the Village Administrator, Director of Public Works, Director of Planning and Code Compliance and a member(s) of the Village Board of Trustees. The following will be considered in evaluation of the proposals:

1. Qualifications
2. Past record of performance of the firm, project manager and consultant team, including references from communities under contract for municipal engineering services.
3. Familiarity and understanding of the firm with the Village.
4. Experience, technical competence and diversity of the consultant team assigned to the project.
5. Proximity of the project manager and key members of the consultant team to the Village.
6. Cost.

**Section 7 – Instructions to Firms**

Submittal Instructions

A. Please provide (1) digital copy of the proposal via email only to:

Jerry Lancelle, Director of Public Works

#### **Section 8 – Terms of Condition**

##### Payment Terms

All invoices for services will be processed within 30 days, pending verification and the receipt of any required documentation of services provided in accordance with the terms of the agreement.

##### Insurance

The successful firm shall agree that it will, at all times during the term of the agreement, keep in force and effect insurance policies required by the contract, issued by a company or companies authorized to do business in the State of Wisconsin and satisfactory to the Village. Such insurance shall be primary. Prior to execution of the written contract, the successful firm shall furnish the Village with a Certificate of Insurance listing the Village as an additional insured and upon request, certified copies of the required insurance policies. The Certificate shall reference the contract and provide for thirty (30) days advance notice of cancellation or nonrenewal during the term of the agreement. Failure to submit an insurance certificate, as required, can make the contract voidable at the Village's discretion. Additionally, the Firm shall not allow any subcontractor to commence work until the aforementioned documents, where applicable, have been obtained from the subcontractor and approved by the Village.

##### Nondiscrimination

In connection with the performance of work under this agreement, the Firm agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, marital status, sexual orientation, sex, disability, national origin or ancestry. This provision must be included in all subcontracts.

##### Assignment or Subcontract

The contract may not be assigned or subcontracted by the firm without the written consent of the Village. If all or a portion of the contract work is proposed to be assigned or subcontracted, the name of the individual(s) to complete the work, address and firm proposed shall be submitted within the scope of the proposal.

##### Independent Contractor Status

The firm agrees that it is an independent Contractor with respect to the services provided pursuant to this agreement. Nothing in this agreement shall be considered to create the relationship of employer and employee between the parties.

#### Amendments to Contract

This contract may be modified only by written amendment to the contract, signed by both parties.

#### Waiver

One or more waivers by any party of any term of the contract will not be construed as a waiver of a subsequent breach of the same or any other term. The consent or approval given by any party with respect to any act by the other party requiring such consent or approval shall not be deemed to waive the need for further consent or approval of any subsequent similar act by such party.

#### Indemnification and Defense of Suits

The firm agrees to indemnify, hold harmless, and defend the Village, its officers, agents and employees from any and all liability including claims, demands, damages, actions or causes of action, together with any and all losses, costs, or expense, including attorney fees, where such liability is founded upon or grows out of the acts, errors, or omissions of the firm, its employees, agents or subcontractors.

#### Contract Period

This will be a three-year contract (September 1, 2026 – August 31, 2028) with the option for a two-year extension (through August 31, 2030).

#### Termination of Contract

To be defined in the contract document.

#### Professional Services Contract

If your proposal is accepted and a contract is issued, then this Request for Proposal and all documents attached hereto including any amendments, the firm's technical and price proposals, and any other written offers/clarifications made by the firm and accepted by the Village, will be incorporated into a contract between the Village and the firm, it shall contain all the terms and conditions agreed on by the parties hereto, and no other agreement regarding the subject matter of this proposal shall be determined to exist or bind any of the parties hereto.

The submission of a proposal shall be considered as a representation that the firm has carefully investigated all conditions, has full knowledge of the scope, nature and quality of work required, and is familiar with all applicable State, Federal and Local regulations that affect, or may at some future date affect the performance of this contract.

Acceptance of this proposal will take place only upon award by the Village Board, execution of the contract by the proper Village officials, and delivery of the fully executed contract to the firm. Acceptance may be revoked at any time prior to delivery of the fully executed contract to the successful firm. The contract may be amended only by written agreement between the firm and the Village. The Village reserves the right to award a contract to the next most qualified firm if the initial successful firm does not execute a contract within sixty (60) days after award of the proposal.
