RE: Consider Conditional Use Permit, Increase Animal Units, HB-210-2, 2264 S. Pine Tree Rd.

FROM: Todd Gerbers, Director of Planning and Code Compliance

DATE: February 12, 2025

ISSUE: Consider Conditional Use Permit allowing a maximum of 10 animal units, exceeding the 5 units permitted in the ER: Estate Residential District

RECOMMENDATION: Staff recommends conditional approval

GENERAL INFORMATION

1. Applicant(s)/Petitioner(s): Chue Vang
2. Owner(s): Chue Vang and Shor Yang
3. Parcel: HB-210-2
4. Address: 2264 S. Pine Tree Rd.
5. Present Zoning: ER: Estate Residential District

BACKGROUND

The current property owners, Chue Vang and Shor Yang, of the property located at 2264 S. Pine Tree Rd (HB-210-2) are requesting consideration of a Conditional Use Permit increasing the number of animal units permitted from 5 to 10 animal units in the ER: Estate Residential zoning district.

Presently the property owners are using their permitted 5 animal units for raising chickens, and they are requesting to increase the allowable animal units to 10 to raise additional chickens. Based on the attached application and supporting documents, they plan to have the maximum of 25 chickens (0.4 animal units per chicken). They also plan to build additional chicken coop with an attached fenced in run area to house and provide security for the chickens. They do not plan to let the chickens be free range on their property. Additionally, they plan to use the chicken waste as fertilizer for the planned garden in the northeast corner of their lot.

The adjacent properties are currently zoned as follows, R-2-R: Rural Residential to the north, ER: Estate Residential to the east, and A-1: Agricultural to the south.

RECOMMENDATION/CONDITIONS

Assuming proper care and maintenance (waste disposal, housing, containment), Staff recommends conditional approval of 10 animal units subject to the following conditions and any conditions the Commission might identify:

1. The additional 5 animal units are limited to chickens as noted in the application
2. Chickens shall be fenced in housed in an accessory structure (i.e. chicken coop) and shall not be able to be free range
3. The Conditional use Permit may be brought back to the Village Board for consideration and revocation if the activities of the operation result in repeated nuisance complaints, and/or violations of Village, County, State, or Federal regulations, rules, or laws;
4. Conditional Use Permit shall be brought back to the Village Planning and Zoning Committee and Village Board for review prior to any transfer in land ownership of the parcel.

CONDITIONAL USE PERMIT / PLANNED DEVELOPMENT APPLICATIONS

Briefly explain how the proposed conditional use/development plan will not have a negative effect on the issues below.

<p>1. Health, safety, and general welfare of occupants of surrounding lands. Seeking approval for 10 animal units, 25 chickens, we clean our chicken coops at least once a week and we will use the chicken manure as fertilizer and compost for the garden we plan to have on the south side of the property. Some chickens will be in a fenced area outside of the coop, but they will be fenced in and no chicken will be free range, ensuring health and safety and welfare of our neighbors.</p>
<p>2. Pedestrian and vehicular circulation and safety, -NA- Chickens will not be free range.</p>
<p>3. Noise, air, water, or other forms of environmental pollution. our chickens are more than 200ft away from the well and mound. we keep our chickens and coops clean and the air around our home and chickens do not smell.</p>
<p>4. The demand for and availability of public services and facilities. -NA-</p>
<p>5. Character and future development of the area. we plan to build a 140 sqft chicken coop in the back of the house towards the east side of the property, approx 120-150 yards away from the house. the new coop would be fully enclosed, minimizing the chicken noise.</p>
